EDITORIAL

A long time ago there was a smart and talented boy. However, he was very selfish and his temper was so difficult, that nobody wanted to be friends with him. Often he got angry and said many hurtful things to people around him.

The boy's parents were very concerned about his bad temper. They considered what they could do and one day the father had an idea. He called his son and gave him a hammer and a bag of nails. The father said: "Every time you get angry, take a nail and drive it into that old fence as hard as you can."

The fence was very tough and the hammer was heavy, nevertheless the boy was so furious that during the very first day he has driven 12 nails.

Day after day, week after week, the number of nails gradually decrease. After some time, the boy started to understand that holding his temper is easier than driving the nails into the fence.

One day the boy didn't need the hammer and nails anymore as he has learned to control his temper. So he came to his father and told about his achievements. "Now every time, when you hold your temper all day long, pull out one nail."

Much time has passed. At last the boy was so proud of himself as all the nails were removed. When he came to his father and told him about this, he offered to come and take a careful look at the fence. "You did a good job, my son, but pay your attention to the holes that were left from the nails." The fence will never be the same.

The same happens when you say hurtful things to people, as your words will leave scars in their hearts like those holes in the fence. Remember, we need to treat everyone with love and respect, because it doesn't matter even though you say you are sorry, the scars will not disappear.

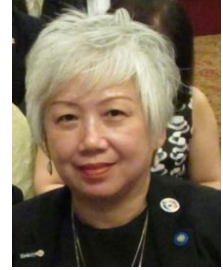

Let us show more love, patience and understanding.

Warmest Regards.

PAG Mike Tung

PRESIDENT'S MESSAGE

It is nearly 40 days to our 50th Anniversary Gala Dinner on 10th December 2016.

Our members are putting in every effort by pulling everything together, not to mention our Past Presidents who are organizing different events. This includes, among others, the History of Pudu Rotary Club Exhibition by IPP Dato Muslim Ayob, the Coffee Table Book publication by PP Quah Sek Cheng, the Gala Dinner arrangement by PP Kumar Tharmalingam, the Fellowship Dinner by PAG Mike Tung, the Souvenir Programme publication by PP Phang Poke Shum.

As the President of Pudu Rotary Club, I am honoured to be part of this great team. Though challenges and disputes are inevitable, all members managed to fulfill their tasks. My sincere gratitude goes to all those who have given their time and resources to make the forthcoming events possible.

Let us continue to preserve our strong and vibrant fellowship in order to continue to serve the community for the next 50 years.

SPEAKER'S CV

MS IRENE TAN

Irene first joined Make-A-Wish Malaysia as a volunteer in 2011, assisting in communications and fund raising. Having been in the property development industry since late 1980s, Irene left corporate work to focus on her health and family in 2008. Thereafter she started to get involved in community activities while seeking for a cause which resonates with her objectives.

After 3 years of voluntary work with Make-A-Wish Malaysia, Irene Tan was appointed CEO in 2014 to bring the organisation to the next level. Since then, Irene has appeared in print media, television and various events to talk about Make-A-Wish Malaysia.

Mission Statement

To grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy.

It all started with one wish...

- Chris Greicius, 7, was diagnosed with leukaemia
- More than anything else, he wished to be a police officer
- Caring people in his community granted his wish... and set in motion a phenomenon that led to the creation of the world's largest wish granting charity organisation

Make-A-Wish Malaysia

- 316 wishes granted since October 2010
- We grant wishes to eligible Malaysian children regardless of religion and race
- The power of a wish remains timeless

Referral Source

Make-A-Wish Malaysia currently only takes referrals from doctors of:

1. Hospital Kuala Lumpur (HKL)
2. Pusat Perubatan Universiti Kebangsaan Malaysia (PPUKM)
3. Pusat Perubatan Universiti Malaya (UMMC)
4. Hospital Permaisuri Bainun Ipoh

Eligibility

MAKE-A-WISH.

Common Misconceptions about Make-A-Wish

- Kids have to be terminally ill
- This is a last wish organisation
- Parents' reluctance to participate for fear of taboo
- Parents believing they can provide the same wish experience
- Disbelieve that an organisation will grant a wish without charges or obligations from families

MAKE-A-WISH.

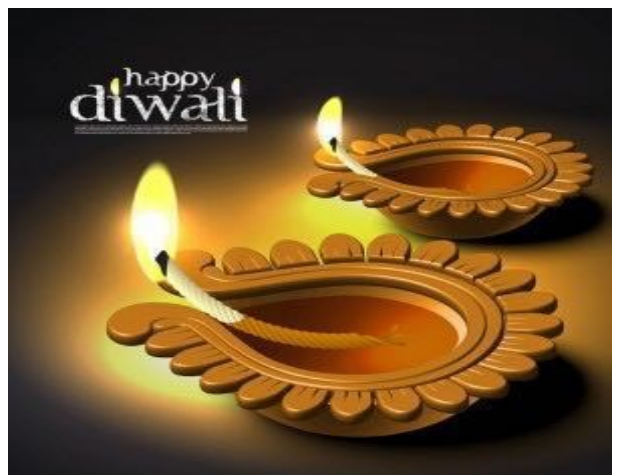

Because of YOU, a seriously ill child will have a renewed sense of hope and joy to help him battle his illness.
