## **Student 4-Way Test Award**

### **Essay Guidelines**

Please attach your 800-1000 word essay. The essay should address an ethical problem using the principles of the Four-Way Test. The problem to be addressed should be something from your own personal experience or a topic you feel passionate about that can be addressed by using the Four Way Test. Specific requirements are:

- Each one of the four parts of the Four-Way Test should be addressed.
- The topic must be specifically related to the Four-Way Test and discussed during the body of the essay, not just in concluding statements.
- Be sure to specifically state each of the parts of the Four-Way Test and how you applied it, or how it could be applied.

The Rotary 4-Way Test award is designed to honor students who have a clear understanding of the Four Way Test. The application of these principles must be clearly articulated in the student's essay. The 4-Way Test principles are:

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and better friendships?
- Is it beneficial to all concerned?
