Ghassan Kanafani Project August 09, 2011

The handover of this project took place at the Ghassan Kanafani Habilitation Preschool in the Mar Elias Camp in Beirut. Its objective was to equip the Occupational Therapy workshop (which manufactures various assistive devices for disabled preschoolers) with essential and new tools to improve the quality of the products manufactured.

The Habilitation Preschool provides education and therapeutic intervention for Palestinian as well as Lebanese children with multiple disabilities. It serves around 100 children annually. The workshop was established in 1993. It uses materials that are locally available; very few items are imported.

Ms. Nahla Ghandour, Habilitation School Director, received from PP Subhi Jarudi two cheques totaling US \$ 3185 for the purchase of tools requested by the school. Also present from RCBC were RT Lina Shair, RT Hussam Rinno, Honorary Secretary Mounir Jabre and Past President Tony Asfour.

Orphans' Iftar
August 23, 2011

RCBC, in collaboration with Hard Rock Cafe Beirut, invited 135 orphans and their helpers from different orphanages to an Iftar during the Holy Month of Ramadan. The event was the latest in what is now a twelve-year tradition.

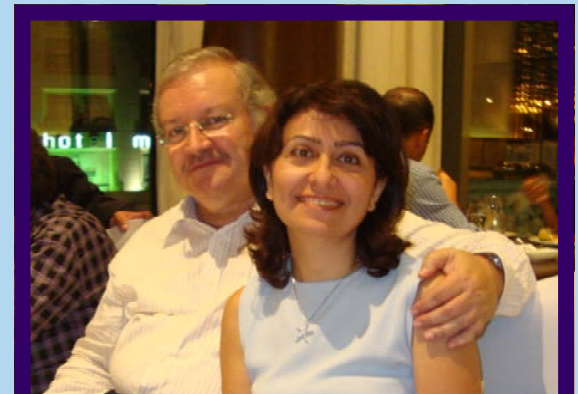

The children were served Hard Rock's signature burger meal with soft drinks and desserts where Hard Rock staff catered to each child's request with smiles and performed their unique dance. Animators entertained the children and our club gave away gifts for each child.

RCBC is most grateful to the management of Hard Rock Café and to those Rotarians who contributed to bring joy to these children's faces and to making them feel part of society and of our family.
