PP Nagi Boulos

During April 2011, the Group Study Exchange (GSE) team from D2450 representing Lebanon and Cyprus was on a mission in the USA to study the host country's institutions and ways of life, to observe the practice abroad of their own vocations and to exchange ideas. GSE is a unique cultural and vocational exchange program for young professionals that offers them the opportunity to develop leadership skills, team dynamics and increased self-confidence.

Team Leader: PP Nagi Boulos

Team Members: Michael Virardi, Alexis Hajipapaphotiou, Tatiana Saliba and Saïd Saber

The GSE team members shared with RCBC the unforgettable moments they had enjoyed and the valuable experience they had gained during their stay in the United States.
