Dinner Meeting - November 01, 2011 **Visit of Rotary Club Wasserberg Rotarians**

RCBC members were pleased to welcome at a dinner meeting President Peter Schwertberger, Past President Thomas Schmelling, Past President Peter Rink and Dr. Maria Fick, delegates of RC Wasserburg, Germany.

The event was an important opportunity for the members of both clubs to get to know each other better and to strengthen the bonds between them. RC Wasserburg has been a pillar of support in many RCBC projects in the past decade.

Dinner Meeting - November 15, 2011 **H.E. Mr. Nazem El Khoury Environment Minister**

His Excellency spoke about “The Political Environment in the Service of Environmental Policy”. He stressed the need to preserve the country’s natural wealth, that he believes requires strict application of measures to organize and control rock and sand quarry operations; renewed efforts nation-wide to control forest fires; and formulation and implementation of a national plan to combat desertification.

The Minister then outlined the pillars of his work program. One of these is to boost the Ministry's resources to enable it to establish and maintain contact with the people and their needs. Another is to intensify the partnership between the Ministry and non-governmental organizations and between the Ministry and regional as well as international environmental institutions.
