

Lincoln Rotary Club Foundation Mini-Grant Request

The Lincoln Rotary Club Foundation mini-grant program was initiated in 2015. The program is designed to provide small grant request opportunities to organizations in the greater Lincoln area focusing on the six areas of focus presented by Rotary International:

- Peace and conflict resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

All service we provide in our community qualifies as being in one of these areas. . The projects should be less than a year in duration with a final report on the project provided after project completion. Projects will be judged as to their sustainability and impact on the Community.

Each mini-grant is awarded on a case-by-case basis after being reviewed by the Rotary Club of Lincoln and Lincoln Rotary Club members. After initial screening is passed, a brief presentation will be scheduled to the Rotary Club or one of our committees with an explanation of how the proposed activity will benefit our community. If awarded, the recipient agrees to return with a written report of the outcome of the project.

The mini-grant application form is on the following pages. Additional information may be provided with the request.

Project Mini-Grant Request
