

## **Lincoln Rotary Club Foundation Scholarship Request**

### **The Scholarship:**

- The Lincoln Rotary Club Foundation provides financial assistance scholarships for high school graduates from Western Placer Unified School District. These scholarships are generally provided at the time of high school graduation however, applications for undergraduate scholarships for college students will also be considered.
- Scholarships may be given in the amount of \$500-\$ 2,000.
- Prior to receiving the funds, proof of registration in an accredited college, university or vocational school must be provided to our Scholarship Committee.
- The financial assistance may be used at the discretion of the student for tuition, fees, books, supplies, travel and other necessary educational expenses.
- A special scholarship for students pursuing 2- or 4-year programs in engineering or construction management is available based on a fund established by deceased Lincoln Rotarian Alan Bradford.

### **Selection:**

- Awardees will be selected by the Rotary Club of Lincoln Youth Services Scholarship Committee. Consideration will be given to a number of factors including student qualifications, financial need and prior community service.
- The award of scholarships is based on availability of funds.

### **Application Requirements:**

- All scholarship applicants must provide the following with this application
  - An official High School Transcript or the standard proof of GPA. If the application is from a continuing student, official college grades must be provided.
  - A Personal Statement/Essay of up to two pages in length about yourself and family, your qualifications, your aspirations, your goals, your financial need, your community service, etc.
  - Three Letters of Recommendation from non-family members
