

Questions? Just ask a Parade Marshal.

Be safe! Ask children not to run into the street between entries to grab candy.

Judges' results will be published in the July 7th edition of the Chanhassen Villager.

If this is your first time at the Rotary Club of Chanhasen 4th of July Parade, here are a few tips:

Where is the best spot to watch the Parade?

There are not any real bad spots. It all depends on what you are looking for!

1. If you like the experience of being in the middle of the action, pick a spot along West 78th Street or Kerber Blvd.
2. If you want to hear the announcer explain a little bit about each Parade entry, find a spot near the judges' stand on Kerber.
3. If you like a little quieter scene, find a spot of park land or school grounds along Santa Vera through Laredo drive
4. If you want to be near food and drink, find a spot anywhere near City Center Park (north of the library) for the Taste of Chanhasen. They are serving between 10-4 on July 4th. The carnival is there, too.
5. If you want a shady spot along the parade route, get up early and mark out a spot with chairs or blankets. We know that some people reserve their turf the night before the parade and even lock their chairs to a tree. We don't sanction any of these ideas officially, so use your own good judgment.

6. If you like to see bands perform their routines, the judges' stand on Kerber Blvd. is a good spot.
7. Kids can get sidewalk chalk at 1:30 throughout the route. Handed out free by the Rotary Club of Chanhasen. Be sure to share!

Streets close on a staged basis starting at noon. The Parade route is fully closed to traffic starting at 1:30pm. The Parade starts at 2:30pm.

Where do I park?

There are no official Parade parking lots. So the best spot is going to either be near the place where you watch the Parade or where you can leave quickly.

Please observe all traffic barriers, no parking signs and the instructions of any Parade marshals, city staff or county sheriffs.

Know that if you park inside the Parade route, you may need to wait until officials open the streets before you are able to leave the area after the Parade.

That said, here are a few popular options:

1. The Southwest Transit Parking Ramp adjacent to Chanhasen Dinner Theatres is a great choice on the southeast end of the Parade route.
2. Most local shopping centers allow public Parade parking. Just watch for signs that tell you otherwise. Businesses have the right to reserve parking for their customers.
3. Neighborhood streets in walking distance that are not marked "no parking."
4. Find a taxi, a ride service or a friend to drop you off! Skip the parking routine entirely!

THANK YOU FOR CELEBRATING INDEPENDENCE DAY WITH YOUR FRIENDS AND FAMILY HERE IN CHANHASSEN!
