

A high-angle aerial photograph of a North American T-6 aircraft in flight. The plane is silver with yellow and green accents on the wings and fuselage. It has the registration "B-N-9" on the side and a large number "9" on the nose. The aircraft is flying over a wide river valley with green fields and some buildings in the distance. A banner is superimposed over the top right of the image.

There's Magic in the Air

Flying High on the 4th of July!

Take a once in a lifetime flight on a North American T-6 aircraft with the vaunted T-6 Thunder Flight Team (T-6thunder.com) this 4th of July. The T-6 Thunder will perform their crowd favorite flyover of 3 planes to kick off the Chanhassen Rotary 4th of July Parade and you can be part of it!

To help defray the costs, your Chanhassen Rotary is making two seats available for auction to the public for \$600 each.
