

22nd Annual

Shrimp Peel

CHARITY FUND RAISER

University Area Rotary Club
October 11, 1990

Live Auction Items

- ☐ Five course gourmet dinner for 8 guests catered in your home. The buyer is requested to schedule the party with the caterers prior to June 1, 1991 (excludes holidays). Liquor is not included but may be arranged for an extra fee. A bartender will be present to make this a most elegant evening.
- ☐ Plan your next party around the use of this mini-van, with a driver, for four hours. It seats 21 people and could possibly be used to tour Christmas neighborhoods, take a group to Galveston's Strand during the Dickens' festivities, take your group to the revitalized Battleship Texas or perhaps an outing for the grandchildren? ... the ideas are limitless.
- ☐ "Bad Medicine", a signed print by our own University Area Western Artist, Mark Storm.
- ☐ You will want to be on board the Goodyear Blimp America for a very special view of the Houston skyline. The blimp ride is for 2 people and is donated by Goodyear Tire & Rubber Company. Trip is subject to weather and availability of the blimp.
- ☐ Galveston Get-Away! All aboard for two on the Texas Limited Excursion Train, departing from Houston on a Friday. Upon arrival in Galveston at the Historical Train Station, your shuttle to The Galvez Hotel for two nights awaits you. Dinner at D'Amico's on the Strand is included in this fabulous weekend package.

*Payment by the successful bidder must be made after the program.
Checks should be made payable to the University Area Rotary.*
