A NEW SHOW FROM SAVANNAH THEATRE

“Broadway on Skidaway”

February 27 and 28 in the Plantation Ballroom at The Landings

For the fourth consecutive year, the Rotary Club of Skidaway Island is hosting a Savannah Theatre Company performance to raise funds in support of local charities. The primary beneficiary in 2018 will be Savannah Early Childhood Foundation and its Parent University.

The Savannah Theatre Company has created this show... “Broadway on Skidaway” just for the Skidaway Rotary Club. For the first time, these talented professionals will present an entire show of Broadway tunes, and it’s perfect for Plantation Ballroom supper club venue. The audience will be treated to an up close and personal view of the show with opportunities to meet and interact with the performers. The singing and band music will be dramatically intense, compared to the acoustics in their theatre.
