**NEW AUTOMATED SERVICES FOR AND ABOUT BUSINESSES**

The Colorado Department of Revenue Sales Tax Information System provides the following automated services:

- \* Colorado Sales Tax Rates - find specific city, county and special district rates.
- \* Verification of Sales Tax License Exemption Numbers - determine whether a Colorado sales tax license or exemption certificate is valid.
- \* Tax Rates by Account Number - find sales tax rates and locations for specific sales tax accounts.

These services make it possible for taxpayers to help themselves to information 24 hours a day - without requiring the assistance of a customer service representative. In this way, more complicated or confidential tax information inquiries can be reserved for speaking to a live agent.

Listen and look for these services on the department's business tax information phone line at 303-238-FAST (3278) for specific account information, 303-238-SERV (7378) for general information or the DOR Web site at [www.taxcolorado.com](http://www.taxcolorado.com)

Web users can try the new system online at [www.taxview.state.co.us](http://www.taxview.state.co.us) We are interested in your comments about the system. You can send us an e-mail with your comments through our Department of Revenue Web site.
