FOR IMMEDIATE RELEASE

**ROTARY CLUB OF BOSTON #7 SEEKING SUPER HUMANS!**  
Rotary Club of Boston announces first Humanitarian of the Year Award.

On Saturday, May 9<sup>th</sup>, 2015, Rotary Club of Boston #7 invites Greater Boston to join them at the Artists for Humanity Epicenter in South Boston for an evening of food, music and fun as they celebrate and award the 2015 Humanitarian of the Year. This event is expected to be a key fundraiser for the Rotary Club, and a portion of the evening's proceeds will be awarded to the charity with which the Humanitarian of the Year award winner is affiliated.

And who will be the lucky winner? That's up to the people of Greater Boston. Says Rotary Boston Club President, Glenn Quirion, "We believe it is important to emphasize who the community of Greater Boston collectively deem a deserving individual. There are so many Greater Boston citizens who regularly put others and their needs first, which makes our city a stronger and more vibrant place to live for everyone. We see from our own work with programs such as Friend's of Boston's Homeless, Cradles to Crayons and the Women's Lunch Place what a difference this dedicated effort can make."

If you are – or know of – someone who is an amazing activist or a tireless crusader for a local charity, send in a nomination today. Nominees from all charitable organizations with ties to the Greater Boston area will be considered and forms are available on the website at [www.bostonrotary.org](http://www.bostonrotary.org) on the Rotary Boston Facebook page. The deadline for nominations is March 15, 2015. Visit our website, [www.bostonrotary.org](http://www.bostonrotary.org), find us on Facebook or follow @bostonrotary7 on Twitter for more details.

**About Rotary Club of Boston**

The Rotary Club of Boston is a group of business and professional leaders who share an interest in Boston and a global outlook. Our mission is to enrich and educate our members on topics of local, national and international interest and support the Boston and international communities through philanthropy and volunteer projects.
