## **Instructions for Rotary Youth Exchange Program Application**

Read all directions on each page carefully **before** completing the application. Use the checklist on the last page to ensure that you have completed all sections and obtained all necessary signatures.

If you are accepted as an exchange student, this application will be sent to your host country and will serve as your introduction to the people who are being asked to host you. The information you provide will help to determine your acceptance in the Rotary Youth Exchange program, and your placement in a host family, school, and community. Furthermore, your information will be provided to Rotary International. It will only be used for official RI business and will not be sold to or shared with third parties, unless its release is required by law.

### **Components of Your Application**

Your application consists of:

- All forms in this application, along with your student and parent letters (Section B)
- Any additional information or reports from your doctor or dentist
- Copies of your passport or birth certificate
- Copies of your school transcript

### **Filling Out Your Application**

Your application *must* be legible. Only computer-generated (or typed) applications are accepted (no hand-written applications). Answer all questions completely and as asked (*do not* write "same," "see above," or "see page \_\_"). Enter your information directly onto the application unless directed otherwise. Make sure to use correct grammar and spelling. Make note of the formats specified for date fields and other items.

Wherever the application asks for your full legal name, enter your name exactly as it appears on your passport or birth certificate.

### **Printing Your Application and Signing the Forms**

You may need to submit several complete sets of this application – your local Rotary district/club will tell you how many sets are required. You may also wish to make an additional set for your own records. Be sure to provide computer-printed forms or good-quality photocopies. All signatures on all sets must be ORIGINAL and with BLUE ink. To accomplish this:

- 1. Complete the application form. Do not sign it.
- 2. Print the required number of sets of the completed application (if using a typewriter, make good-quality photocopies of your original).
- 3. Sign all of the sets yourself, then have your parents/legal guardians sign all sets.
- 4. Medical and dental forms: Ask your physician and dentist to make the appropriate number of photocopies of the completed medical/dental form *before* signing it and then to sign each copy in blue ink.

The photo of yourself that you attach to Section A, page 1, and the photos required by Section B, must be original photographs or good quality color prints on all sets. You may digitally insert the photos into the document, or physically attach them with glue or two-sided tape (no staples).

## **Additional Instructions**

- 1. The deadline for this application will be established by the sponsoring Rotary District and local Rotary Club. Applications WILL NOT be accepted after the deadline date. They will also dictate the number of copies you are required to submit.
- 2. Hand-written applications will not be accepted. Use Acrobat Reader to complete your application, or, if necessary, a typewriter.
- Collate the sets appropriately, attach all photos where indicated, include your letters/photos (Section B), and your checklist (final page). Do not submit this instruction page or the cover page that precedes it.
- 4. It is the student's responsibility to ensure that the School Reference Form (Section H) is completed and sent in by the teacher/administrator in time for the application deadline.
- 5. When putting the applications together, use only PAPER CLIPS. Do not staple or otherwise bind your applications.

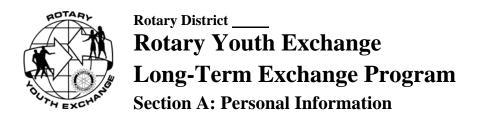

### **Questions?**

If you have any questions about completing this application, check with your local Rotary club's Youth Exchange Officer. Once you've completed your application, return it to your local Rotary club/district as they've instructed.

Adopted by the Rotary International Board of Directors, November 2006

Before you begin your application, be sure to read all instructions on the prior page.

### Smile!

Provide a recent, good-quality color photo of yourself (head and shoulders). Make sure your entire head is fully visible. Do not include other people or props in the photo.

Insert the photo digitally into the document, or attach with glue or double-sided tape; do not staple.

## **Rotary Youth Exchange – Long-Term Exchange Program**

## Section G: Rules and Conditions of Exchange

As a Youth Exchange student sponsored by a Rotary club or district, you must agree to the following rules and conditions of exchange. Violation of any of these rules may result in dismissal from the program and immediate return home, at student's expense. Please note that districts may edit this document or insert additional rules if needed to account for local conditions.

## **Rules and Conditions of Exchange**

- You must obey the laws of the host country. If found guilty of violating any law, you can expect no assistance from your sponsors or native country. You must return home at your own expense as soon as released by authorities.
- 2) You will be under the host district's authority while you are an exchange student and must abide by the rules and conditions of exchange provided by the host district. Parents or legal guardians must not authorize any extra activities directly to you. Any relatives you may have in the host country will have no authority over you while you are in the program.
- You are not allowed to possess or use illegal drugs. Legal medications that are prescribed to you by a physician are allowed.
- 4) The illegal drinking of alcoholic beverages is expressly forbidden. Students who are of legal age should refrain. If your host family offers you an alcoholic drink, it is permissible to accept it under their supervision in the home. Excessive consumption and drunkenness is forbidden.
- 5) You may not operate a motorized vehicle, including but not limited to cars, trucks, motorcycles, aircraft, all-terrain vehicles, snowmobiles, boats, and other watercraft, or participate in driver education programs.
- 6) Smoking is discouraged. If you state in your application that you do not smoke, you will be held to that position throughout your exchange. Your acceptance and host family placement is based on your signed statement. Under no circumstances are you to smoke in your host family's bedrooms.
- Body piercing or obtaining a tattoo while on your exchange, without the express written permission of your natural parents, host parents, host club, and host district, is prohibited, for health reasons.
- 8) You must make every effort to learn the language of the host country, and may be responsible for any costs for tutoring, language camps, or other instruction.
- 9) Limit your use of the Internet and mobile phones, as directed by your host district, host club, and host family. Excessive or inappropriate use is not acceptable. Accessing or downloading pornographic material is expressly forbidden.

- You must attend school regularly and make an honest attempt to succeed.
- 11) You must have health and accident or travel insurance that provides coverage for accidental injury and illness, death benefits (including repatriation of remains), disability/dismemberment benefits, emergency medical evacuation, emergency visitation expenses, 24-hour emergency assistance services, and legal services, in amounts satisfactory to the host Rotary club or district in consultation with the sponsor Rotary club or district, with coverage from the time of your departure from your home country until your return.
- 12) You must also have liability coverage through a travel insurance or other applicable policy, in amounts satisfactory to the host Rotary club or district in consultation with the sponsor Rotary club or district
- 13) You must have sufficient financial support to assure your well-being during your exchange. Your host district may require a contingency fund for emergency situations. Unused funds will be returned to you or to your parents or legal guardians at the end of your exchange.
- 14) You must follow the travel rules of your host district. Travel is permitted with host parents or for Rotary club or district functions authorized by the host Rotary club or district with proper adult chaperones. The host district and club, host family, and your parents or legal guardians must approve any other travel in writing, thus exempting Rotary of responsibility and liability.
- 15) You must return home directly by a route mutually agreeable to your host district and your parents or legal guardians.
- 16) Any costs related to an early return home or any other unusual costs (language tutoring, tours, etc.) are the responsibility of you and your parents or legal guardians.
- 17) Visits by your parents or legal guardians, siblings, or friends while you are on exchange may only take place with the host club's and district's consent and within their guidelines. Typically, visits may be arranged only in the last quarter of the exchange or during school breaks and are not allowed during major holidays.
- 18) Serious romantic activity is to be avoided. Sexual activity is forbidden.
- 19) Talk with your host club counselor, host parents, or other trusted adult if you encounter any form of abuse or harassment.

#### Recommendations for a Successful Exchange

- You should communicate with your first host family prior to leaving your home country. The family's information will be provided to you by your host club or district prior to your departure.
- Respect your host's wishes. Become an integral part of the host family, assuming duties and responsibilities normal for a student of your age or for children in the family.
- 3) Learn ahead of time as much of the language of your host country as possible, and use the language regularly. Teachers, host parents, Rotary club members, and others you meet in the community will appreciate the effort. It will go a long way in your gaining acceptance in the community and with those who will become lifelong friends.
- 4) Attend Rotary-sponsored events and host family events, and show an interest in these activities. Volunteer to be involved; do not wait to be asked. Lack of interest on your part is detrimental to your exchange and can have a negative impact on future exchanges.
- 5) Get involved in your school and community activities. Plan your recreation and spare-time activities around your school and community friends. Don't spend all your time with other exchange students. If there is a local Interact club, you are encouraged to join it.
- 6) Choose friends in the community carefully. Ask for and heed the advice of host families, counselors, and school personnel in choosing friends.
- 7) Do not borrow money. Pay any bills promptly. Ask permission to use the family phone or computer, keep track of all calls and time on the Internet, and reimburse your host family each month for the costs you incur.
- If you are offered an opportunity to go on a trip or attend an event, make sure you understand any costs you must pay and your responsibilities before you go.

- In the case of elective surgery, we/I request that we/I be notified and our permission obtained before such arrangements are made.
