

*The Community Grants Program of the Rotary Club of Carbondale distributes funds raised through the annual Fireball Drop and other fundraising initiatives to Roaring Fork Valley nonprofit or not for profit organizations in a fair, efficient, and effective manner. The funds should address community needs including but not limited to education, health and human services, mental health, the environment, animal welfare, recreation, food security, seniors, and youth. We do not accept requests for individuals or unofficial groups. Please note grants are capped at \$2,000 per organization per year. So that we may consider your funding request, please address the following questions and submit to our Grant Committee Chair, Jessi Rochel, at [jkrochel@gmail.com](mailto:jkrochel@gmail.com) with your most recent P&L. Grant applications are due prior to May 31st each year in order to be eligible for matching District funds. After that, grant applications will be accepted only if local funds are available.*

**Please note the Rotary budget cycle is July-June, so successful grants will begin receiving funds no earlier than July.**
