President Aaron announced that the Evening Group

meets this evening

starting at 5:30pm at the Rockslide.

Today’s Program

President Aaron shared his vision for the Rotary Club of Grand Junction’s opportunities and challenges for the 2022-2023 Rotary Club year. He shared he is humbled and excited to be the club’s President in the club’s 103rd year. He asked that club members help him advance the Rotary International mantra of “Service Above Self” by living our lives and running our businesses in alignment with the Four Way Test. President Aaron said that to make the upcoming year the best it can be, “let’s give, give some more and keep giving until it hurts.” President Aaron asked that each club member take a position that they haven’t served in before- join a committee or sit at a table with Rotarians that you don’t know well. President Aaron asked the club members in attendance to answer three questions:

1. What is it that the GJ Rotary Club that we do best?

2. What are we not doing now as a club that we could be doing in the future?

3. What are we doing now that we love-

and should stop doing as a club?

President Tice took a moment in his presentation to thank and recognize the Past Presidents that have proceeded him whose efforts continue to benefit the community and the club today.

President Tice also recognized the contributions made by Past Presidents Teresa Anson and Walid Bou-Matar, who went on to serve as District 5470 District Governors.

President Tice shared that he had learned quite a bit from Past Presidents Tom Benton, Barb Bowman, Merritt Kinsey, Michael McCormick, Cary Eidsness, Tami Beard and Kelly Anderson. (Thanks Aaron!)
