*we are people who put*  
**service before**  
**self.**

Becoming a member of Rotary will provide you with immense satisfaction and lifelong friendships. Jointly, we work hard to improve the lives of so many. **You will be part of a family of like-minded people** with clearly defined objectives to improve both our local community and further abroad.

Club members meet **Thursday mornings at The Venue at Fishers**. Meetings run one hour, starting at 7:30 a.m. with socializing beginning at 7:15 a.m.

#### **Mornings not your thing?**

Visit our Satellite Club. Meetings are the 1st & 3rd Thursdays of the month from 5:30-6:30 p.m. Locations vary.

While we encourage fellowship by participating in events, projects and meetings, we are flexible regarding attendance and participation. Members contribute according to their interests and their schedules. And family and friends are always welcome guests at Rotary. We want you to do Rotary your way.

*together, we make*

## great things happen.

Our club is proud to be part of this community. **100% of the funds we raise provide service to others.** We couldn't do this without fundraising events and the generous support of our club sponsors.

*we represent different*

## professions, experiences, & perspectives.

Through high ethical standards, we seek the truth, let fairness govern our actions and relationships; we endeavor to build goodwill and peace.

We are a non-religious and non-political group, which allows us to exchange ideas about potential solutions without prejudice. Along with opportunities to regularly network, **we form life-long friendships and business connections.**
