

WEATHERFORD ROTARY

Membership Application

“Service above self”

This is the motto of Rotary. While Rotary is a diverse membership of business, government, and other professional people, it is not a business networking club. When you join, you are accepting the belief and the responsibility of being a Rotarian. While Rotarians may eventually choose to prioritize business with other Rotarians, that outcome is neither endorsed nor supported through Rotary, and that outcome should not be the objective of a person’s intent on joining Rotary. Business networking will occur, but only through your active participation in Rotary.

Your annual time commitment to Rotary

Club Meetings: 50 +/- per year – every Tuesday except holidays.

Allow an hour per meeting = 50 hours. Members are required by Rotary International to make a minimum of 50% of the regular club meetings: 50% = 25 hours per year, so your range of time for club meetings will be a total of 25-50 hours. You can make-up missed meetings by attending meetings at any other Rotary Club in the World. You also earn attendance credit with board and committee meetings, and work on service project of the clubs.

Committee and Service Project Work: 50 hours or more.

Members can expect a minimum of 1 hour per week per year as an average of additional time commitment necessary to fulfill your responsibilities as a Rotarian: 1 hour x 50 weeks = 50 hours. This time is in addition to the club meetings, and you earn attendance credit for participating in committee meetings and work.

Total: 75 to 100 hours per year.

(More hours if you are active on multiple committees or choose to serve on the board)

Becoming a Rotarian is one of the best, most rewarding, decisions you will ever make during your life!

Please go online to www.Rotary.org or www.weatherfordrotary.org for more information on the depth and breadth of Rotary, then attend some meetings of your local club(s) by contacting a club member to host you at a meeting. Next, volunteer to participate in some of the club service projects (non-Rotarians are always welcome to participate) to better understand the culture and responsibility of being a Rotarian. If your interest remains, ask to join. See the section on membership for more information on the application and

process of becoming a Rotarian.

The process of becoming a Rotarian is steeped in tradition & honor, with following expectations from the Rotary Bylaws:

Article 13 – Method of Electing Members

Section 1 – The name of a prospective member, proposed by an active member of the club, shall be submitted to the board in writing, through the club secretary. A transferring or former member of another club may be proposed to active membership by the former club. The proposal shall be kept confidential except as otherwise provided in this procedure.

Section 2 – The board shall ensure the proposal meets all the classification and membership requirements of the Standard Rotary Club Constitution.

Section 3 – The board shall approve or disapprove the proposal within thirty (30) days of its submission and shall notify the proposer, through the club secretary, of its decision.

Section 4 – If the decision of the board is favorable, the prospective member shall be informed of the purposes of Rotary and of the privileges and responsibilities of membership, following which the prospective member shall be requested to sign the membership proposal form and to permit his or her name and proposed classification to be published to the club.

Section 5 – If no written objection to the proposal, stating reasons, is received by the board from any member (other than honorary) of the club within seven (7) days following publication of information about the prospective member, that person, upon payment of the admission fee (if not honorary membership), as prescribed in these by-laws, shall be considered to be elected to membership. If any such objection has been filed with the board, it shall vote on this matter at its next meeting. If approved despite the objection, the proposed member, upon payment of the admission fee (if not honorary membership), shall be considered to be elected to membership.
