aficionado or someone who enjoys a glass from time to time, there's something for every attendee to enjoy.

When you buy tickets for the Snowmass Wine Festival, 100% of every dollar benefits local non-profit organizations across the Roaring Fork Valley and charitable organizations worldwide.

ABOUT SNOWMASS VILLAGE ROTARY

Rotary International is 1.2 million neighbors, friends, and community leaders who come together to create positive, lasting change in our communities and around the world. Our differing occupations, cultures, and countries give us a unique perspective. Our shared passion for service helps us accomplish the remarkable.

HOW DO WE WORK?

Our impact starts with our members—people who work tirelessly with their clubs to solve some of our communities' toughest challenges. Their efforts are supported by Rotary International, our member association, and The Rotary Foundation, which turns

generous donations into grants that fund the work of our members and partners around the world. Rotary is led by our members—responsible leaders who help to carry forward our organization's mission and values in their elected roles.

HOW DID WE GET HERE?

We've been making history and bringing our world closer together for over 100 years. Since forming in 1905, Rotary International has taken on some of the world's toughest challenges and helped a wide range of international and service organizations—from the UN to Easter Seals—and local communities that desperately need community support.

Thanks to generous supporters like Snowmass Rotary, Response served 178 survivors of domestic and sexual abuse in our community last year. We provided safe housing to 53 survivors and 42 children. Looking toward the future, we educated over 600 students and held 20 community education events throughout the upper Roaring Fork Valley to end the cycle of violence.

- Shannon Meyer, Executive Director, Response

Funding from the Snowmass Rotary and the Wine Festival provides vital general operating support of YouthZone's programming. This financial support strengthens YouthZone's provision of services to over 2000 youth, ages 10 to 18, from Aspen to Parachute. Direct services are highly individualized and designed to promote youth development through engagement in community, strengthening protective behaviors, and improvement in self-worth. YouthZone also serves the entire family unit holistically, promoting stronger families overall.
