Thanks to generous supporters like Snowmass Rotary, Response served 178 survivors of domestic and sexual abuse in our community last year. We provided safe housing to 53 survivors and 42 children. Looking toward the future, we educated over 600 students and held 20 community education events throughout the upper Roaring Fork Valley to end the cycle of violence.

SHANNON MEYER, EXECUTIVE DIRECTOR, RESPONSE

Funding from the Snowmass Rotary and the Wine Festival provides vital general operating support of YouthZone's programming. This financial support strengthens YouthZone's provision of services to over 2000 youth, ages 10 to 18, from Aspen to Parachute. Direct services are highly individualized and designed to promote youth development through engagement in community, strengthening protective behaviors, and improvement in self-worth. YouthZone also serves the entire family unit holistically, promoting stronger families overall.
