

QUOTES FROM MEMBERS

Tami Vincent, Member Since 2000

“Rotary has provided me with the opportunity to get to know area business people and to get involved in my community. By being a part of a local Club that is a part of a much larger organization...Rotary International, I am able to be involved locally and know that I am also a part of an organization that has a wide reach in service around the world. I am especially proud of our Rotary Club of East Jordan. We have many active members that can count on one another, will pitch in when needed, and believe in the importance of finding joy in whatever we do.”

JL Sumpter, Member Since 2018

“I joined the Rotary Club of East Jordan because of its devoted tradition of giving back to its community. From day one, I felt part of a family making a difference in people’s lives. I look forward together to continue this long-standing tradition.”

PEOPLE OF ACTION

Our club offers opportunities for our members - and those interested in making a difference - to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our communities and communities all over the world. Along with these opportunities to serve, members are able to regularly network, resulting in lifelong friendships and business connections.

Rotarians focus on 6 avenues of service, which include:

1. Promoting Peace
2. Fighting Disease
3. Providing Clean Water, Sanitation, & Hygiene
4. Keeping Women & Children Healthy
5. Supporting Education
6. Growing Local Economies

Rotary International Project

- The Rotary Club of East Jordan annually selects and international project to support financially. Our most recent international project is the Lingap Children's Foundation, which provides financial support to the Lingap Center. The Lingap Center is an orphanage in the Philippines which offers a safe environment for homeless children who would otherwise be in a life-threatening situation. It houses up to 100 children and provides a clean and safe environment, nutrition, health care, counseling and access to education. Financial support for international projects are provided by members, with matching funds available through Rotary International.
