Announcements

The joint meeting with the Lions was well attended. An excellent presentation was made by Gloria Kraemer from the Depot. The Depot is a very worthy project for teens in our area. She needs more volunteers.

Jonathan Richter, our new Inbound student, has arrived and should be at our lunch. He will talk a little about himself. He is from Germany and is staying with Mike and Jen Aenis. Germany, as most of you know, is quite a bit east of Gaylord. His birthday was on Sunday. We are in search of at least one, preferably two additional host families. If you know of a family or would be interested in opening your own home to Jonathan for 3 months, please let Karen Brennan or a member of the Committee know.

Program: 08/13/2019 – Fred Malpass led us out to the East Jordan EMS center. Jay Peck described the equipment and what they do. It was very interesting. One interesting fact is that they do a lot of patient transports between health care facilities.

The Happy Hour group will be meeting Tuesday at 5:30 at The Foundry. Amongst other things, they will be talking about the upcoming Fall Fest.
