Announcements

Highway pick up is scheduled for Saturday, September 14. This will start at 9 at the tourist park. Tom Teske mentioned that the DDA has approved \$400,000 for engineering work on the end of Lake Charlevoix that will involve connecting the area from the current boat ramp to the municipal docks. The bridge will also be improved. Construction will start this coming spring.

We are in search of at least one, preferably two additional host families. If you know of a family or would be interested in opening your own home to Jonathan for 3 months, please let Karen Brennan or a member of the Committee know.

Paul continues to make progress collecting Family Fare and Oleson's slips.

Program: 08/27/2019 – Barb introduced Jonathan Richter, from Herzberg, Germany who is our incoming exchange student. Jonathan did a short power point presentation on his family and home-town and then answered questions.

- Lisa Gandelot—from Grosse Pointe.
