# FOUR INTERNATIONAL HUMANITARIANS

## One Common Thread: Support from The Rotary Foundation

Four international humanitarians and businesspeople from Brazil, Venezuela, Thailand and Nepal are visiting our district through our Partners in Rotary Service program, a new initiative of Rotary District 7890. They are coming to tell us their powerful stories about how Rotary impacted their lives and work and how they, in turn, paid it forward by changing the lives of others. Come and let them inspire you!

Please RSVP to Cynthia Lang, President, West Hartford Rotary, 860/953-2299 or [cynthialang@sbcglobal.net](mailto:cynthialang@sbcglobal.net) by October 31
