We are working toward Rotary District 5450 involvement throughout the metro Denver area.

Help with serving lunch at the **Senior Center in Broomfield** at least once per month

**Repackaging bulk food for FISH** – each week club members meet to repackage bulk food for **Broomfield FISH** food bank. Years ago we adopted the oatmeal shelf ... with the COVID-19 pandemic we needed to find a way to continue ... we now repackage all the bulk food and detergent for Broomfield FISH.

**Adopt-a-School...** We recognize a student for Citizen of the Month at Emerald **Elementary School** in Broomfield. We have also provided them with new shirts when they opened their new school, books for students at winter break & coordinate with staff & PTO to assist with other events & programs.

**Flower Power** is where we work with other clubs in the area to distribute flowers used at the CO Home & Garden Show each February to assisted living centers in Broomfield & surrounding areas.

**Santa Visits** to children & seniors during the holiday season, delivering gifts & holiday cheer to those in need

# Youth

**Rotary**  
Youth Exchange

We participate in the **Rotary Youth Exchange** program where we host a student from another country in our community, arranging for host families, assuring school enrolment, encouraging participation with other exchange students, and assuring the student has an enjoyable, life-changing experience

Our club sponsors **Rotary Young Leadership (RYLA & YRYLA)** camp candidates each year.

Each year we attempt to award scholarships to students with a focus on technical education.

## Fun

**5th Tuesday Parties, Rockies games & Social Hour @ a local establishment** are just some of the ways that we have fun together ... guests are always welcome!
