Community Service

Help with serving lunch at the Senior Center in Broomfield at least once per month.

Work days sorting clothes & stocking boutiques for "A Precious Child", a nonprofit organization devoted to making a positive impact in the lives of disadvantaged & displaced children by improving their quality of life. We also lead a project to strengthen the involvement of other Rotary Clubs throughout the metro Denver area in support of this program.

Oatmeal for FISH – each month we have a business meeting usually on the 3rd Tuesday where everyone is encouraged to bring oatmeal which we donate to **Broomfield FISH**, the local food bank that serves our community.

Adopt-a-School... We recognize a student for Citizen of the Month at Emerald Elementary School in Broomfield. We have also provided them with new shirts when they opened their new school, books for students at winter break & coordinate with staff & PTO to assist with other events & programs.

Santa Visits to children & seniors during the holiday season, delivering gifts & holiday cheer to those in need.

Flower Power is where we work with other clubs in the area to distribute flowers used at the CO Home & Garden Show each February to assisted living centers in Broomfield & surrounding areas.

Youth

We participate in the **Rotary Youth Exchange** program where we host a student from another country in our community, arranging for host families, assuring school enrollment, encouraging participation with other exchange students, and assuring the student has an enjoyable, life-changing experience.

Our club sponsors **Young Rotary Young Leadership Awards (YRYLA)** for leadership training opportunity for middle school students each year, paying all cost for the students to attend the week long camp.

Each year we offer scholarships to students pursuing a two-year College and/or Technical School education.

5th Tuesday Parties, Rockies games & Social Hour @ Wonderland Brewing are just some of the ways that we have fun together ... guests are always welcome!
