Another Year Draws To A Close

We're coming to the end of another Rotary year.....one that will go down in the history books and one we'll remember for the rest of our lives. We're working on plans to get back to meeting on a weekly basis....probably virtually initially....and also trying to come up with a plan for a Demotion Party.

Meanwhile, here's a message from **Pres.-Elect Kelli**:

Greetings Rotarians!

I have missed seeing all of your smiling faces and it's been so long since we've been able to share our common passions for helping others, although I'm sure that all of you are continuing to serve in new ways as the nationwide crises develop.

I am looking forward to seeing you all again soon (although it may be virtually for some time) and to working together to help our community, which will now have more need and opportunity to help than ever. While it's a big job we have, I know that you are ready and willing, and I hope that we can get to work sooner rather than later.

I hope that you are all staying safe and well, and I'm looking forward very much to returning to "normal", whatever that will be!

Remember Rotary Foundation

As we near the end of a very unusual Rotary year, we need to remember that Rotary's mission of Service Above Self continues. Our ongoing effort to rid the world of polio continues through the PolioPlus program and the Rotary Foundation's other funds (the Annual Fund, the World Fund and the Disaster Response Fund) continue to distribute millions of dollars each year to support projects around the world. Please take the time before July 1 to make a contribution to The Rotary Foundation. You can do so here:
