

# the Rotary Club of Andover's *Citizens Who Care* Nomination Form

*Thank you for bringing to our attention a person worthy of consideration for a Citizens Who Care award. The success of this singular program depends on the nominations that we receive from the entire Andover community. Without your help there is no program. The criteria that we use to make our selections are as follows:*

1. The nominee must have an Andover connection: residence, workplace or place of community efforts.
2. The volunteer work that is done must be beyond the nominee's job description. For instance a paid worker for Andover Youth Services is still eligible for consideration if the work she undertakes is far outside the scope of what her job entails.
3. Past recipients are not eligible. See the club's web site ([www.rotaryandover.org](http://www.rotaryandover.org)) for a list of past recipients.
4. Current members of the Rotary Club of Andover are not eligible.
5. To make the most persuasive case for your nominee state the organizations and causes to which he or she contributed and the amount of time and effort put into each one. In other words, state the facts.
6. You may nominate more than one person. Feel free to email this form. **The deadline for submission is March 15.**
