

## Joining the Rotary Club of Andover

*Where Doing Good is Serious Fun*

### 1. Make the Commitment to Serve

Rotary is one of the most prestigious service organizations in the world. Rotary International consists of 1.2 million members in 34,000 clubs worldwide. Members are leaders in business, the professions and the community. Rotary's motto of "service above self" is channeled through the numerous avenues of service: club service, vocational service, community service, and international service. You've attended a couple or more meetings as a guest and you've decided that serving the community, making community connections and having fun is an opportunity you want to pursue.

### 2. Choose Your Membership Level

Rotary membership has numerous privileges. Regardless of your membership level, you're a "full" Rotarian, with all rights and benefits. You can attend make-up meetings at any of the Rotary clubs around the world, and attend Rotary and Rotary Leadership Institute programs too.

**Traditional Membership:** The traditional membership includes meals at all weekly meetings, full dues paid to our District 7930 (and Rotary International), \$100/year contribution to the Rotary Foundation. Invoices for traditional membership dues (including contributions to Rotary International and District) are sent quarterly by our club treasurer.

**Corporate Membership:** Similar to traditional membership, this includes one meal at each weekly meeting, plus all other benefits of a Traditional membership for the principal corporate member. The principal corporate member from the company should attend at least 1 meeting/month, and he/she may send a designee to each other weekly meeting. Invoices for corporate membership dues are sent quarterly by our club treasurer.

**Service Membership:** The service membership option was introduced to the Rotary Club of Andover in 2015. It's designed for people interested to help with our service projects, but unable to attend weekly meetings. Service members have all rights and privileges of full membership, but typically attend one meeting/month (usually an evening club meeting, typically held once per month). Service members may attend additional meetings, paying for the meals at each of those additional meetings. Invoices for Service membership dues are sent quarterly by our club treasurer.

### 3. Complete an Application

Our board and club members will review your membership as quickly as possible. In the interim, we welcome prospective members to attend club meetings, meet members, and volunteer on our numerous service projects.

### 4. Jump In

It's simple: Those who get involved, stay. Those who don't leave. There are numerous ways to become involved.

Attending meetings is a great way to share fellowship and fun with the fellow members. We meet most weeks on Fridays at 7:30 am at the Lanam club in Andover. We also hold one evening meeting each month, on the third Wednesday of the month.

All members are expected to help with some service projects. This can include planning the projects, helping with fundraising, and supporting the many projects and events, including Citizens Who Care, the Andover Cares Festival, Feaster Five, literacy reading program, Ironstone Farms, Lazarus House, Habitat for Humanity, Interact, food drives, our Kenya water project, Polar Plunge, and more!
