THE ROTARY EFFECT

**Rotary Club Of
Sweetwater, Texas**

WE ARE ROTARY

Rotary brings together people like you - from all walks of life - who want to use their expertise for good. People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good - and form lifelong friendships in the process.

Together, we empower youth, improve health, promote peace, and advance our communities in all corners of the globe. With 12 million members in 34,000 clubs worldwide, our global community's impact has never been greater - and it continues to grow.

MAKE A DIFFERENCE

Belonging to a Rotary club provides members with an opportunity to give back to their communities and to connect with like-minded leaders and friends.

People join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie. But perhaps the most important benefit is the satisfaction you gain from making a real difference in your community and in the world.

OUR CLUB

The **Rotary Club of Sweetwater** gives you an opportunity to join leaders and take action on important challenges affecting our community, our nation, and the world. We also have a lot of fun - whether we're socializing or working together on service projects.

Members of our Rotary club connect at weekly meetings (Mondays at noon) and learn from business experts, political and civic leaders, and entrepreneurs, who help us stay informed on topics that are relevant to our community.

Together we are making great things happen - in Sweetwater and the larger world. We have a structure that focuses on action and positive results.

OUR PROJECTS

We are committed to making a difference in Sweetwater and in the world. Our projects include:

- **Christmas Shoe Project** - Providing new shoes to elementary school children from low income families.
- **College Scholarships** - Recognizing and supporting the next generation of strong citizens and community leaders.
- **International Service** - Leading and supporting projects for clean water, education, health, and more in the third world.
