

ROTARY CLUB OF ALICE SPRINGS — Meeting No: 2801, Ellie Norris's

Wednesday, 17 January 2018

### President's Word.....

Via the Editor.....

Thanks to Roger and Judy for hosting our Home Visit last week.

Once again, they put on an amazing three course meal, lit the burners to keep the mozzies away, and did all the washing up themselves after we left!

Just a reminder, for those who are interested in learning more about the Club website and how to use it, there will be a session at Ross Engineering on Tuesday from 5pm.

Looking forward to seeing you all at Ellie's.

Yours in Rotary,  
Dave

### Reminders

Please advise Suellen (by email) if you hold a current Ochre Card. Please include in your email, the card number and expiry date. Many thanks.

'Rotary Downunder' magazines to Steve Peers, please.

Please give permission, via email to Suellen, to receive the Arunta through the website.

## The Roster and what it means

For whatever reason, sometimes it is not possible to attend a meeting so here are the Roster guidelines:

**Please Be Responsible** - It is the responsibility of each of us to check the bulletin to see when we are on the Roster.

**Please Find a Replacement** - If you are rostered on for a duty and cannot attend on that night, then it is your responsibility to find a replacement.

**Please Tell Secretary Nick or President Dave** – You, or your replacement, need to let someone who is going to the meeting know.

## Can't make it to a meeting?

[rbruceclo@bigpond.com](mailto:rbruceclo@bigpond.com) or via our website:

The winter of 1932 was so cold that Niagara Balls froze completely solid.

Your stomach has to produce a new layer of mucus every two weeks, otherwise it will digest itself.

There are two words in the English language that have all five vowels in order: “abstemious” and “facetious”.

There is a word in the English language with only one vowel which occurs five times: “indivisibility”.

Did you know that crocodiles never outgrow their pool in which they live? That means, if you put a baby croc in an aquarium, it would be little for the rest of its life.
