

ROTARY CLUB OF ALICE SPRINGS — Meeting No: 2803, Todd Tavern

Wednesday, 31 January 2018

President's Word.....

Hi Fellow Rotarians,
It was great to start the New Year with a good turn up at Wednesday night 's meeting. 22 people attended our meeting. (We did have a five-person guest speaker contingent.)

Our main guest speaker was Lou from RePower Alice Springs. Lou and her group gave an interesting presentation on renewable energy and how Alice Springs is missing a great opportunity to produce more power from solar power.

I have a number of leads for new members, Clive and Vicki will be processed ASAP and I issue you the challenge to think about prospective Rotarians – they are out there. In most cases they just need to be approached and informed about the good work Rotary does in the community.

Sargent Potts continues to entertain us with his innovative sergeant sessions, before and during the meetings – Keep up the good work Pottsie!

Our Web Page is coming close to going live – this is an essential tool for us to promote Rotary and keep us all informed. Thank you Neil for leading this as part of your Public Information Officer portfolio.

Dominic will be our speaker next Wednesday night and I am certain that he will be able to entertain us with some interesting facts – I'll keep the subject under wraps as a surprise.

I hope that you all enjoyed Australia Day – I was certainly looking forward to the long weekend.

Kind Regards, Dave
