

ROTARY CLUB OF ALICE SPRINGS — Meeting No: 2804, Todd Tavern

Wednesday, 7 February 2018

President's Word.....

I really enjoyed Wednesday's meeting. We had another good turn up and good reports from our Board members.

I was very humbled to get such nice comments and good wishes on receiving my AFSM from all of you. Rotary forms a big part of my life and I'm sure that it has contributed to my award in the way I think, speak and interact with people. (Sounds like the 4 way test!)

We are close to inducting Clive and Vicki – I am really looking forward to these two becoming members. I am sure that they will both make a great contribution to our club. It will probably happen on 21/02/18 when I return.

We also had a “walk in”, Fiona. She expressed interest in Rotary and wanted to see what we do. She is a nurse and has been in Alice since 2014. I really hope that she comes back for another visit.

I also have two more prospective members, one will be a surprise when she comes along, and most of you would know her! There you are, a bit of a teaser.

Dominic did an interesting presentation on the Tabrant car, a vehicle from East Germany that saw little change over decades. I can't believe that Dominic has actually driven one of these! Who knows, I think he secretly would like one of these in his driveway.

I am taking two weeks leave and Ellie will be acting President for the first week, Dominic for the second. Thank you both for stepping up. Please support these Rotarians by coming along to the meetings. Bintang beer in Bali beckons!

We have an exciting year ahead and I look forward to leading our Rotary Club into 2018.

Rotary 4 Way Test

Of the things we think,
say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all?

President's Report cont.....

Dave's Quote: *T*

he best things in life are often waiting for you at the exit ramp of your comfort zone.

Karen Salansohn.

Have a think about this quote and have a go, not just with Rotary but everything that comes your way.

Dave's ridiculous useless information:

Did you know that if you add all the numbers from 1 – 100 consecutively (1+2+3....) it totals 5050?

Kind Regards, Dave

Please keep Rotarian Ernie in your thoughts.

Thanks to Dave for his contribution this week....Ed
