

PRESIDENT DAVE'S REPORT

Hi Fellow Rotarians,

Despite a number of apologies at our last meeting, we still had a solid core of members turn up for an interesting meeting.

We had a talk on Palliative Care in Alice Springs by Fred Miegel and Sandra Clyne. This was really informative and having just recently been through this traumatic event with my Mum 18 months ago, was extremely relevant to me and I guess all of us at some stage. The presentation highlighted the importance of a Will, and also not many of us had considered an “Advanced Personal Plan” in case we are unable to make informed decisions regarding treatment should we reach our last stages of our time on earth. I hope to be updating my Will as a result. Fred and Sandra invited all Rotarians to come and visit the new facility - maybe a vocational visit?

Our Sargent probably came out on top with his quizzes this week, thank you Mike for your research and participation as Sergeant – it adds to an interesting meeting and also shows the “trivia” kings and queens amongst us. I know who to sit with at the next trivia night!

Great to see our visitors, Cheryl L, Fiona and Honorary member Trish attend – I really enjoy having guests along to our meetings and I think it keeps me on my toes as to meeting relevance and protocols.

Next week is a really important meeting. I hope to induct Fiona as our newest member. I am sure with her enthusiasm and experience, that she will add real value to our club and I am looking forward to having her on board.

We also have a great guest speaker lined up – Dave “Tuzza” Tuzewski. Dave has plenty of experience as a disaster relief technician and having heard him speak at the recent conference makes this a meeting not to miss. What a line up – Dave T and also the induction of our newest Rotarian. Please make every effort to attend.

Kind Regards
Dave Letheby
