

PRESIDENT DAVE’S REPORT

What an exciting night for Fiona and I, as President, at last Wednesday’s meeting. It is a true privilege to induct a new member, and I think that Fiona will add great value and ideas to our club – a huge welcome! I’m on a roll, Clive, Vicki and now Fiona!

Dave Tuzewski, well known to a number of long term locals, presented a talk about disaster management and assistance with setting up shelters and making water safe to drink. It was a pity we ran out of time, because I found his presentation very interesting.

Arlzev is new in town and I believe is a good candidate for joining us. He is a Civil Engineer and has been in town since about Dec 2017. He is from Malaysia and was fascinated by the Sergeant’s session and wanted to know all about “happy fines” and why we would have to pay to relay a happy story!

The announcement about our President Elect, Michael Potts was extremely well received and I am really looking forward to having Michael at the helm. Think about supporting him as his Sergeant – this position is definitely up for grabs and whilst there is not really a job description, the job is a fun position and you can add your own style. Please form an orderly queue next meeting to register your interest.

I am officially a “hose squirter” in sunny Tennant Creek for the next 4 days. Limited staff gives me a great opportunity to get back to why I joined as a firey many years ago. Next week I am Darwin- bound and our President Elect is going to Chair the meeting with Rotarian Jenni at his side as Sergeant – should be fun!

We have guest speaker Grant Lock next week to talk about his time in Afghanistan, and his return back into life in Australia. Should be interesting.

Don’t forget the Bangtail Muster – we need all hands on deck. If you would like a position on the Henley on Todd Board, our club needs to field a vacant position. Perhaps let myself or Anj Palmer know.

That’s all from me – see you in a fortnight (if I survive Tennant Creek!)
President Dave
