How Can You Benefit From Rotary?

- Networking
 - You will interact with professionals from many different organizations in the greater Springfield area.
- Personal Development
 - You will build teamwork and project skills through community engagement.
 - As you grow in Rotary, you will have opportunities to hone your public speaking and presentation skills.
- Community Service
 - Through your efforts, our community will be a better place to live.
- Public Relations
 - Rotary and Rotarians tend to be visible in local media. Participation in community projects builds goodwill for Rotary and your business.
- Worldview and Service
 - Rotary truly is an international organization. Membership expands awareness and appreciation for issues in underdeveloped areas and how Rotary and you can help.
