What is Rotary?

Rotary is an organization of business and professional leaders which provides humanitarian service opportunities, encourages high ethical standards in all vocations and promotes goodwill and peace in the world.

Rotary offers an opportunity to build lifelong friendships and to experience the personal fulfillment of providing volunteer service.

The world's first Rotary service club was the Rotary Club of Chicago, Illinois on February 23, 1905.

The club was started by a young lawyer, Paul P. Harris, and three of his friends. They wished to recapture the friendly spirit they had felt among business people in the small towns in which they had lived. Their weekly meetings "rotated" among their offices, providing the new service club with its name.

Today, Rotary flourishes with some 28,000 clubs and 1.5 million men and women as club members, providing community service in virtually every nation and even has a non-voting seat at the United Nations. For more information go to www.rotary.org

Rotary encourages and fosters ideals of service as a basis of worthy enterprise:

First - The development of acquaintance as an opportunity for service.

Second - High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying by each Rotarian of his/her occupation as an opportunity to serve society.

Third - The application of the ideal of service by every Rotarian to his/her personal, business and community life.

Fourth - The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

The 4-Way Test is a simple but profound statement of things we think, say or do:

Rotary 4-Way Test

1. Is it **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL and BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Why Rotary?

Rotarians work in four avenues of service to make their community and their world a better place.

Vocational Service – putting high standards of conduct into practice in the business and professional lives of Rotarians and training youth to become responsible leaders in the future.

Community Service – identifying needs in community and addressing them with service projects.

International Service - working for international understanding and peace by promoting goodwill between all people.

Club Service - finding interesting programs to educate and inform our members, communicating through newsletters and enhancing fellowship opportunities throughout the club.

Clubs work on projects relating to health, hunger, environmental concerns, literacy, vocational assistance, drug abuse and assisting senior citizens and young people.

Club members can also support global projects, through their own contacts and by participation in the programs of the Rotary Foundation.
