

Partnering with Others

* Working with our Rotary District's Military Family Assistance Council Foundation (MFAC), we donate funding to help provide assistance to Veterans, especially those who are homeless, and current military and their families. MFAC provides casual and dress clothing, footwear, coats, boots, socks, gloves, blankets, training, financial support, and more.

* We work with the Wheelchair Foundation UK to supply wheelchairs anywhere in the world to children and adults who are in need.

* Ending Polio - Rotary established the PolioPlus Foundation in 1985 with the mission of eradicating polio from the globe. The Bill and Melinda Gates Foundation found this to be such an important initiative, they have partnered with Rotary and donates \$2 for every dollar Rotary raises in this effort to eradicate polio once and for all.

How Can I Join Rotary?

Membership in a Rotary Club is traditionally by invitation, usually from a friend or associate who is a member, but everyone is welcomed to visit our club at any of our weekly lunch meetings, where we meet for fellowship and interesting and informative programs dealing with topics of local and global importance. If you are interested in joining, a Rotary member will submit your name to the membership committee and it's a simple process from there.

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club to find out more about us and the opportunities we offer to get involved. It is truly a rewarding experience.

The Rotary Club of Secaucus meets weekly at:

La Reggia Ristorante
40 Wood Avenue (in the Meadowlands Plaza Hotel)
Secaucus, NJ 07094
Time: 12:15 - 1:30 PM

Please check our website for any schedule changes, upcoming events, and more information.

People of Action Making a Difference

Our club offers opportunities for our members - and those interested in making a difference - to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

We also have fun.....
