Welcome District Governor

Linda Sappington became the first female Rotarian in southern Utah in 1993. Four years later, she was president of the St. George Rotary Club. She quickly became revered for her service and friendship. A writer and public relations professional by trade, volunteerism has been the hallmark of her life - a spirit she brings to Rotary as Utah's district governor.

Helping Our Community Gardens Grow

A small but hard-working group of Rotarians spent a wonderful fall morning Saturday at [Summit Community Gardens](#). This is a remarkable place! The tragic loss of trees provided mounds and mounds of fresh mulch which was spread into a new area of the gardens. Summit Community Gardens is doing amazing work. Not only can you get your own garden plot, but the organization is very active in contributing fresh vegetables to those in need through Christian Center Park City and other organizations.

Thanks to Insa and Diane for organizing, and Kristal for setting out a great buffet. We'll be back next year with a spring and fall project, possibly with the other clubs. Checkout the video to see how much fun we had!

Let's Be Happy!

It's been a little slow for Happy Bucks since we moved to Zoom. So let's refresh one of our favorite meeting elements this week with some new rules. First off, Happy Bucks is about having fun. It's not a fundraiser. So let's use it as a platform to talk about the good things in our lives - a great bike ride you had last weekend, time you spent with your kids or grandkids, happiness that your kids are back in school (so far) or whatever strikes your fancy. And ... let's keep it \$5 and under. Remember, this isn't a fundraiser.

The Park City Rotary Club's Fall Candidate Forum will feature Summit County Council candidates Malena Stevens and Roger Armstrong. Each are running for separate seats unopposed. The forum will focus on their views of countywide issues. The forum is planned for our regular Zoom meeting on Tuesday, Sept. 29. Watch for more details next week.

Winter Coat Drive

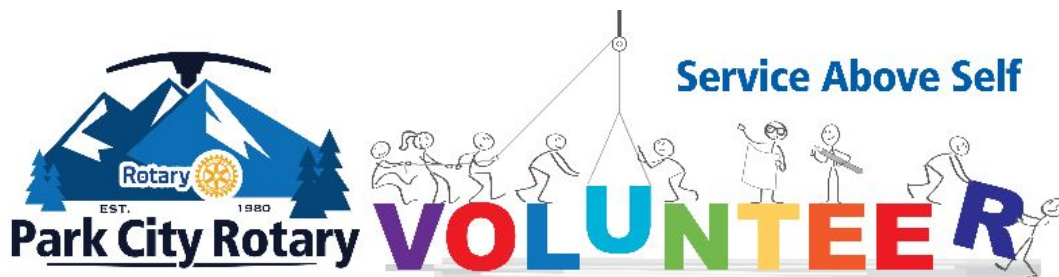

Winter is coming and our community is in need of coats. Thanks to new Rotarian [Ari Ioanides](#) for stepping up to lead. This will be an October service project. Watch for more details. This is a vital one for our community to support Christian Center Park City.

Remembering Rotarian Dick Lueck

Dick Lueck was one of our Park City Rotary Club's founding members and a past president. [The Desert Sun had a wonderful obituary](#). Click in to learn more and leave a tribute message. Rotary and community service was important to Dick.

He was 92.
