## Duck Race Official Rules and Regulations

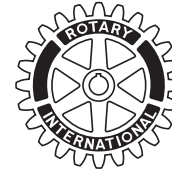

1. Once ducks are launched, they are on their own, except that the race committee reserves the right to free them if caught in branches or other river impediments.
2. Winners will be determined by the number on the adoption paper corresponding to the number on each duck in order of finish. If an un-adopted duck should finish in the top 3, that number shall be disallowed in favor of the next adopted duck to finish the race.
3. Decision of the judges stationed at the finish line will be final. Judges are not eligible to win.
4. Winners will be announced at the end of the race.
5. It is not necessary for adopters to be present to claim their prize(s). If not in attendance, they will be contacted by phone or e-mail. Winners will be instructed on the method of claiming their prize.
6. Names of the winners will be published in the Daily News Transcript and Dedham Times.
7. The race is being supervised by the Neponset Valley Sunrise Rotary Club and is for the benefit of their charities and programs.
