Dear Mr. O'Malley,

On behalf of the Rotary Club of West Roxbury and Roslindale, I am writing to express our sincere thanks and appreciation to you. You have helped us countless times and in so many ways over the years. Your generous donations of savory dishes and precious time have helped us raise money, attract interest, and created opportunities for fellowship. In short, you helped further our mission to better our community both at the local level here in Roslindale, West Roxbury, and worldwide.

We are a group of business people who try to play an active role in making our community a better place. Every year our club awards scholarships to graduating seniors in Roslindale and West Roxbury. Our better known activities have been holding a fundraising softball game to benefit the Jason Roberts Challenger League Program, sponsor Red Cross blood drives, and participate in the Salvation Army Kettle Campaign.

Our membership consists of local business and professional people who have the same goal in mind, to help make West Roxbury and Roslindale a better place to live and work. We proudly consider you a fond partner, colleague, and kindred spirit in these endeavors. Our motto is Service Above Self and you embody this altruistic ideal

It is more than your hard work and support that we will miss. For over 35 years, you have helped lead our community with a positive attitude, sincere modesty, and we will miss your influence. In closing, as much as we hate to see you go, we can't help but share in your joy on the occasion of your retirement.

Please accept our best wishes and congratulations!

Sincerely,
