## PEOPLE OF ACTION

Our club is a proud partner of the Westfield community and of Rotary International. Our club offers opportunities for our members - and those interested in making a difference - to get involved.

Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond.

Along with these opportunities to serve, members are also able to regularly network, resulting in lifelong friendships and business connections.
