

Montachusett Area Rotary Club

Our Vision

The Montachusett Area Rotary Club is an organization of business, professional and community leaders who come together through commitment and fellowship to create opportunities and a better future for generations who follow.

Rotary Basics

Rotary International, the world's first service club organization, is made up of over 32,000 clubs in more than 200 countries and geographical areas. Its members form a global network of business and professional leaders who volunteer their time and talents to serve their communities and the world.

Rotary's Motto, Service Above Self, exemplifies the humanitarian spirit of the organization's more than 1.2 million members. Strong fellowship among Rotarians and meaningful community and international service projects characterize Rotary worldwide. Beyond Community service, Rotary activities include fellowship, social activities and the opportunity to form strong, lifelong friendships.

Corporate Membership

Recognizing the demands on the time and activities of members of the Business world, our Club has created a corporate membership initiative. Corporate memberships invite companies to participate in Rotary through a shared commitment to the club, allowing multiple representatives from one company to share one "seat" in the club.

Why Become a Corporate Member?

Participation as an active member of the Monty Broc Rotary Club presents a number of advantages through an effective business partnership that includes:

- Increased awareness of your corporation within the community through association with Rotary and the many programs that our club supports.
- Membership in an organization dedicated to assisting and supporting community needs and activities.
- Meet professionals who may be or may become clients, suppliers, investors, elected officials – people who can help your organization.
- Challenge your people to cultivate leadership talent by participating in and chairing Rotary events & projects.
- Encourage your employees to share Rotary's values and enjoy the camaraderie of working together on "hands-on" community projects.
