

**THE MEMORIAL TREE
 SPONSORED BY THE ROTARY CLUB OF
 BRAINTREE SUNDAY, DECEMBER 8, 2019 AT 3:30 PM**

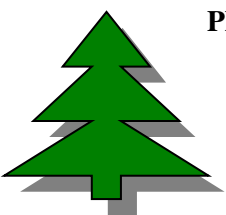

The Braintree Rotary Club is once again sponsoring the Memorial Tree, a unique and memorable way to honor those whom we have lost and still cherish, and those family and friends still with us and who have a special place in our hearts.

The Memorial Tree has a permanent place in the Rotary Club's Memorial Park, located next to Thayer Public Library. The Memorial Ceremony this year will be held on **Sunday, December 8, 2019 at 3:30 p.m.** Also, come join us at the **Braintree Chamber of Commerce's Holiday Open House** from 1:00 pm to 4:00 pm at the Braintree Town Hall.

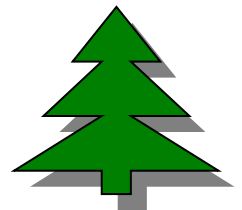

There are **four** levels of sponsorship, and all will include a light on the Memorial Tree for each of your named loved ones. Each honored name will be read aloud at the Memorial Ceremony, and listed on the homepage of our website.

1. **TREETOP MEMORIAL STAR – For \$1,000.00**, (suggested donation) you can purchase the Star atop the Memorial Tree. The memorial names that you choose will be identified in bold print on our website ad. You will also be listed as the Star Sponsor.
2. **MEMORIAL TREE PATRON – For \$100.00**, (suggested donation) you may purchase up to ten memorial names which will be featured in bold print in the website ad.
3. **MEMORIAL TREE LIGHT – For \$10.00** each (suggested donation), you may purchase one light for as many as you wish to remember, and each will be listed in the website ad.
4. **MULTIPLE TREE LIGHTS - SAVE here! \$25 for THREE** lights/names, and/or **\$50 for SIX** lights/names. If you'd like to donate \$100, please consider our **TREE PATRON** option (see above).

All of your generous donations go to support the community service programs of the Rotary Club of Braintree. Rotary is both a local and an international organization. Among the community organizations that Rotary supports are the schools, with donations for student activities, the Braintree Youth Center, The Senior Center, Thayer Public Library, and so much more. Globally, Rotary International has been a major force behind the near elimination of the scourge of polio from the Earth.
