Rotary
Club of Braintree

Rotary International is one of the largest service organizations in the world.
We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Rotary Club Facts

The Rotary Club of Braintree celebrated its 100th anniversary in 2023, honoring its members and founders who exemplified the motto "Service Above Self." With around 50 members, the club focuses on community service and global humanitarian projects to improve the world we live in.

- The club meets weekly on Thursdays at noon at Braintree Town Hall with a catered lunch and no attendance policy.
- Each week features a guest speaker discussing relevant topics from organizations, highlighting service & partnership opportunities.
- We donate to over 50 organizations and causes per year.
- We volunteer in many community service projects throughout the year.
- Members participate in various committees to strengthen our initiatives.
- We have many successful fundraising events including a golf tournament and Electronic Waste Day.
- Membership grants access to clubs worldwide!
- The club is recognized for its diversity, equity, and inclusion efforts, welcoming everyone.

Please join us at the
Braintree Town Hall
Thursdays at noon
