

About Camp Good Days...

The mission of Camp Good Days and Special Times is to be internationally recognized as the premier service organization that enriches the lives of children, adults, and families whose lives have been touched by cancer and other life challenges.

Camp Good Days and Special Times is a 501(c)3 not-for-profit organization, dedicated to improving the quality of life for children, adults, and families whose lives have been touched by cancer and other life challenges, founded more than 30 years ago, in Rochester, New York, by **Gary Mervis**, following the diagnosis of his youngest daughter, **Teddi**, with a malignant brain tumor. What was started to provide a residential camping experience for Teddi and 62 other children dealing with cancer, has grown to become one of the largest organizations of its kind in the country and many of the programs and services started by Camp Good Days have been used as models by other cancer treatment centers and organizations all over the world.

Since its inception, Camp Good Days has served more than 42,000 campers from 22 states and 25 foreign countries. **Camp Good Days** has received the coveted **Four-Star Rating** from **CharityNavigator.org**; has been inducted into the **Safety 1st Hall of Fame** by **Markel Insurance Companies**, and is **Accredited** by the **ACA (American Camp Association)**.

All of the programs and services provided by Camp Good Days are offered **free of charge** for the participants. This is only possible because of the generosity of so many and the success of special fundraising events. More information about all of the programs and services, volunteer opportunities and special events and activities can be found at www.campgooddays.org.

All of the residential camping programs are held at Camp Good Days' Recreational Facility, located on 13 ½ acres of waterfront property, on the shores of Keuka Lake, in the Village of Branchport, Yates County, New York. The Camp Good Days' Recreational Facility includes a heated / air-conditioned Dining Hall; heated / air-conditioned Dormitory; six Cabins; a fully equipped, staffed and recently renovated Infirmary; In-ground Pool; Adventure Ropes Course; Indoor Climbing Wall; and many Activity Areas such as Arts & Crafts; Nature; Woodworking; and Computers.

Camp Good Days is a Celebration of Life with those who have come to appreciate it the most...a place where Courage Knows No Boundaries!
