The meeting was brought to order by Past President Shelly at 6:35.

Frank introduced our guest speaker for tonight, Carol Fisher, who is the Cornell Cooperative Extension Educator. Carol spoke on Radon. Radon is one of the causes of lung cancer and a naturally occurring radioactive gas emanating from the ground and if found, radon problems can be fixed by piping installed in the basement and up the side of the house.

Forms were filled out and each received a Radon detector testing kit for their home.

For more information on Radon, you can go to www.epa.gov/radon or www.nysradon.org

We next discussed the upcoming Superbowl BBQ. We will start setting and cooking at 7:30 am on Saturday, February 1. Servers and cashier should be there around 10:30. We are doing one flight of 160 halves.

Shelly also reported that Kym Starkweather will be taking a leave of absence for 6 months.

Liza told us she loves her new home and she is now a volunteer at the SPCA as a cat socializer. She is very excited that she is going to St Croix with her host mom.

Meeting was adjourned at 7:50.
