The meeting was brought to order and Mike Brainard talked about the Chris Bond Run on Sunday. Right now there are about 125 pre-registered runners. Mike has dropped off the bibs to have the chips put in. 9 am they are meeting to put up the big tent and all the pop ups. The school will be open at 7 am on Sunday. We will need some water station volunteers. The shirts are in and the sale price will be \$10 each. At 11:30 the awards will be given out and by the looks of it, everything is coming together.

Char McGuire introduced her guests, Dorothy Womack (her mother), Bonnie Powell (her sister) and they were both from Spokane, Washington. Also with Char and Mike was Lucia Chapa, their granddaughter from Hyattsville, Maryland.

President Mark told the club that the Share the Warmth containers were a little worn down and needed to be refurbished. We will be participating in this again this year and the meeting will be Wednesday, October 22nd at the Ramada Inn in Ithaca and will start at 11 am. If anyone is interested in going, please plan to attend as no one at the meeting could attend.

Mark reminded us that the District Foundation and Membership seminars are going to be held October 25 in Binghamton and it is free. Please see our club website for applications to attend either session.

Mark also brought up that we usually do a Foundation Dinner Basket and the club supported the idea again this year. Cindy will pick up the basket and the club members can get donations from around Trumansburg to fill it.

The Election Day BBQ will be Tuesday, November 4th. We will start cooking at 11 am. Mike brought up the idea to buy our own cooker and the club agreed.

Mark also told us that with a light event schedule after the CBR he would like to see more speakers scheduled. The club was in agreement.

Lennart showed us on a map of Germany just where his town is located. He is also not looking forward to winter. He went to Montréal this past weekend with his host family and enjoyed the trip.

Andy also had a map and showed us where she lived in Mexico. She also told us she went shopping and really enjoyed herself.

The meeting was adjourned at 8:00 pm.
