The meeting started with Mike Brainard giving us a recap of this week's progress with the Chris Bond Run. We now have 80-90 registered. A sign-up sheet was passed around so everyone could pick what they would like to do to help with the CBR. Mike has done a tremendous amount of work organizing this and now it is our turn to step up to the plate and help the club have a successful CBR on race day. Frank Zgola pointed out that there was an article in the *Tompkins Weekly* about the CBR and Kathy Bond had this to say about our club... "Rotary is a small group, but they get a lot done", she says, "They see something that needs to be done and they step up and volunteer the it. It all goes back to being a good citizen, caring for others and putting yourself out there."

Our guests for the evening were our District Governor Pat Kriebel and her husband, Mark, who is a Past District Governor, and Assistant Governor for our club, Heidi Goldstein.

DG Pat gave a short speech and she first congratulated our club for doing more for the Foundation than any other club in the District.

DG Pat asked us to help sponsor us in her Fit For Foundation walk. She also informed us that at the Foundation dinner they will be having a raffle for a dinner for 6 with hubby, Mark, doing the cooking.

Pat also has an emphasis on membership and the Membership Mentors are Orv Wright, Owego, Judy Richlman, Cortland, and Ron Provus, Ithaca. Matt Adler, Owego, is the Membership Chair.

Pat reminded us that the Foundation Dinner will be Sunday, November 2nd in Binghamton and the District Conference will be May 15-17 at the Bonnie Castle Resort in Alexandria Bay. There are some new fun breakouts, a dinner cruise and tour of Bolt Castle. A fun time will be in order.

And lastly, Pat encouraged us to apply for many of awards that will be given out. We do so much in our community and internationally that we should be getting these.

The recent BBQ that we did last Saturday was a success and we had about a \$550 profit. We sold out by 1:30 and Mike Jimenez's daughter, Julia, was a big help to us and she did a good job.

Darlynne talked about the Apple Harvest Festival this weekend and asked for help even if only for an hour. Everything seems to be coming together. The event runs from 10-4.

President Mark read a Thank You from the Bainbridge Rotary for helping with their golf tournament.

Cindy read a Thank You from the Youth Bureau for our participation in Movie Night.

Frank told us that someone from the Cornell International Youth Program want to speak to our club. Frank will look into getting them here.

Andy said that the week was ok. She got a little sad but now is recovering and doing well.

Lennart attended his first Cross Country meet and just moved into a new home.

The meeting was adjourned at 7:52 pm.
