President Mark introduced our guest, Eileen Guy, who was a former Exchange Student from our club to Japan and the daughter of one of our past members, Jerry Ehrhart.

President Mark then inducted our newest member, Mary Guy-Sell. Welcome, Mary!!!

Darlynne reported on the Apple Harvest Festival. She raised \$75 towards Polio Plus and the staff raised an additional \$9. The weather was a big factor and next year they plan on holding it on a Sunday only.

Mike Brainard reported that we had 123 pre-registered and 89 the day of the race. 12-15 pre-registered did not show because of the weather. The event was well run but Mike realizes that some things need to be done sooner for next year. We did well with donations. One comment by a runner was that the event was very well run from beginning to end. There was a small snafu in getting a runner in the right placement. The club decided to get a special award for him. Some asked with we did with the funds. Mike suggested that we could possibly get a grant for science teachers' projects or see if we do need some more soccer shelters.

Mark reported that we will be doing Share the Warmth and a box will be at the Shur Save and the bank. The boxes will need to be painted. Volunteers will paint on Saturday morning around 9:30 am at Ehrhart's warehouse.

The Election Day BBQ will be at the Save-A-Lot parking lot and we will start cooking around 11 and serve by 2.

The club will work with the Christmas Bureau and sponsor 3 children again this year. Cindy and Andy will do the shopping.

Trumansburg Winter Fest will be Saturday, December 6<sup>th</sup>, from 2-6. The club has decided to participate in this. More details to follow.

Patrick Mitchell suggested a competition of all merchants doing a candy display. The club decided to put a candy display on the Rotary table and suggest the competition for next year for the merchants.

Kym reported that her daughter, Chelsa, is in Africa and needs supplies. Kym will get a list for the club of her needs.

Andy reported that she had a good time at the CBR and was able to complete the race and get a medal.

The meeting was adjourned at 8:04 pm.
